SAFEGUARDING

Safeguarding Over the Summer Holidays

While school is closed over the summer break if you have ANY safeguarding concerns, please call 01522 782111.

If you believe a child to be in immediate danger, please call the police on 999.

Parent Survey

Please, please take a moment to fill out our parent survey. Your feedback really is important to us and we do make changes as a result of the things that parents say.

We know that the survey didn't work for some people when they first tried but this has now been resolved and is working for everyone!

Thank you

Online Safety

Please find attached How to Stay Safe Online this Summer.

Self-Regulation

As adults we know how to deal with disappointments, setbacks and anger but, for children, they have to learn how to regulate their emotions through 'big' feelings like these. If your child finds this tricky, why not check out this great free guide with 10 top tips on supporting children with self-regulation which is attached!

Spotlight on...

...Mr Johnston and Mrs Saunders.

We would like to wish Mr J all the best in his new job and say thank you for all that he has done for the children while he has been at the school. We will miss you Mr J.

Mrs Saunders will be going off on Maternity leave today. We would like to wish Mrs Saunders and her husband lots of luck as they begin a new chapter in their story, as parents. We look forward to getting baby updates and seeing her and baby next year.

Forest School Sessions

Forest School will be on a Wednesday from September as normal. We will let you know in our first news letter back who will be taking part in Forest School first session each week.

Flu Vaccinations—Reception—Year 5

Please find attached to this week's Newsletter the information to register your child for their Flu Vaccination. This is a quick and painless nasal spray for most children and not an injection.

Only parents of Reception to Year 5 children need to do this.

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu. All the information you need to consent to your child having their Flu Vaccination is in the letter.

Health on Holiday

With many of our families headed off on holiday over the break, we thought that this guide would come in handy...

Your Guide to Health Services While Away From Home

BE PREPARED

Treat aches and pains, coughs and colds at home.

Stock up your medicine cabinet including pain killers, antihistamines, anti-diarrhoea and indigestion medicine.

Order repeat prescriptions in plenty of time.

Keep all medication, plasters, bandages and thermometers away from children.

PHARMACY

Pharmacies offer health advice and treatment for allergies, constipation, cold and flu symptoms, earache, fever, thrush and healthy lifestyles.

A visit to the pharmacy could save you a trip to the GP.

If you forget your medication while away from home call your usual registered GP surgery during opening hours and they can arrange for a prescription to be sent electronically to a pharmacy local to where you are staying.

VISIT NHS 111 ONLINE OR CALL NHS 111

Need health advice?

Unsure which health service you need?

Visit NHS 111 online or call NHS 111 – both are available 24 hours, seven days a week. Calls are free from mobiles and landlines.

Typetalk number is 18001.

MINOR ILLNESS OR INJURIES

For treatment of burns, cuts, wounds or infections contact NHS 111 for the nearest Urgent Treatment Centre where an appointment can be made for you if necessary or they can provide you with advice and guidance by phone or video consultation.

GP

If you take ill while away from home contact your registered practice in the first instance where you can be offered a telephone or video consultation.

If your practice or NHS 111 say it is necessary to be seen at a GP Practice you can register for up to 14 days while away from home or work.

Your temporary GP will pass any details of treatment you have to your own GP.

If you are staying for a longer period of time you should still ring your usual registered practice in the first instance and receive telephone or video consultation as a first step.
