SAFEGUARDING

Bullying

We are all keen to think that our children are kind but we know that this is not always the case. Follow the link for some great tips on what to do if you think your child might be a bully.

[My Child is a Bully](#) | [Signs of Bullying](#) | [What Makes a Bully](#) | [Child Mind Institute](#)

Want your child to do well? Attendance Matters...

Every moment in school counts and days missed add up quickly. Evidence shows that pupils who have good attendance enjoy better wellbeing and school performance than those who don't.

The school day is split into two sessions – one session counts as a morning or afternoon spent in school. There are only a few occasions where a child is allowed to miss school, such as illness or where the school has given permission because of an exceptional circumstance.

However, if your child misses school without a good reason, local councils and the school can intervene and you may be issued a fine.

Online Safety

The internet and advances in the capability of digital devices have afforded us arguably the fastest period of technological and social evolution in living memory.

Creating opportunities for us to interact with people anywhere in the world, 24 hours a day. It is also, however, blurred safety boundaries and added new stresses for young people, who are often less aware of the hidden hazards. Please see attached the information on 'Helping Children and Young People with Managing Device Stress and Anxiety'.

SAFEGUARDING QUESTION OF THE WEEK

What would you do if you saw someone bullying?

(Tell an adult straight away)

Bumble Bees need your help.....

Miss White and Mrs Brown have asked for parents help.

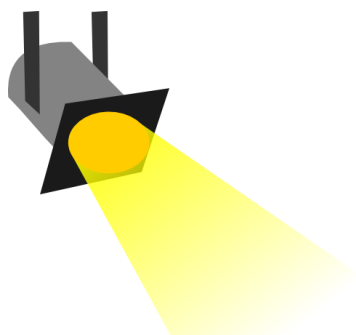

Please can you bring in any cardboard boxes, cereal boxes, washed out yoghurt pots, toilet roll tubes, anything that the children can use to create beautiful works of art. We use a large amount of these products on a daily basis. Please can you deliver to Mrs Brown at morning drop off or take to the school office.

Thank you

Spotlight on...

... Mrs Infield!

Ordinarily, Mrs Infield has a major hand in writing the newsletter each week, but she has not been in school today! This was handy because has she have seen this, she would have suggested that we do someone else!

Mrs Infield first started at school as an MDSA, but over the years has taken on more roles and is now an indispensable member of the school office. Our resident MCAS expert, Mrs Infield organises trips and sporting events, monitors attendance, sorts out any kind of payments, writes letters, mops up accidents and answers the phone and the gate to mention but a few... and always with a smile!

If you ever have a question she is a fountain of knowledge and is always willing to help.

We really couldn't manage without her!

Transition Arrangements

As you are aware, we have a number of new teachers joining us in September.

Normally we do a “move up” afternoon, when all the children go to their new class and meet their teacher. This year, it has been impossible to co-ordinate all of our new teachers to be free on the same afternoon, so each class will have a half day with their new teacher at different points.

Year 4 and 5 children (who will be Year 5 and Year 6 next year) met Mr Rainey today. He spent the afternoon with them and completed “getting to know you” activities.

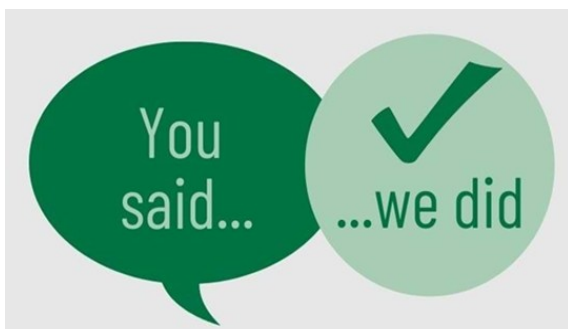

Both Mrs Crane and Miss Mason are coming into school before the end of the school year to spend time with their classes.

You Said... We did!

One parent said that it would be nice to be able to get to know the new teachers. We have listened and I have asked each of our new teachers to complete a ‘one page profile’ about themselves which we will be sharing in the newsletter over the coming weeks.

In September we will also be holding “meet the teacher’ sessions early in the new year so that you can meet your child’s new teacher.

Miss Mason, our new SENDCO will also be providing opportunity for families of children with SEND to meet her early in the new term!

Sports Day

Sports day this year will be on Tuesday 8th July at 2.00pm. The gates will open at 1.45pm so you can get settled ready to watch your children. We are looking forward to seeing you on the day cheering on all of the children.

Please make sure you bring along a water bottle, sun cream and a hat. Last year we had a few spectators that caught the sun! Please look out for information about House Colours and ensuring your child has a T-Shirt in their House Colour next week.

PE Kit

Please remember that **children should have their PE kit in school at all times.**

It should be brought in on a Monday and stay in school all week in lockers or on pegs.

VERY occasionally your child may come home in their PE kit.

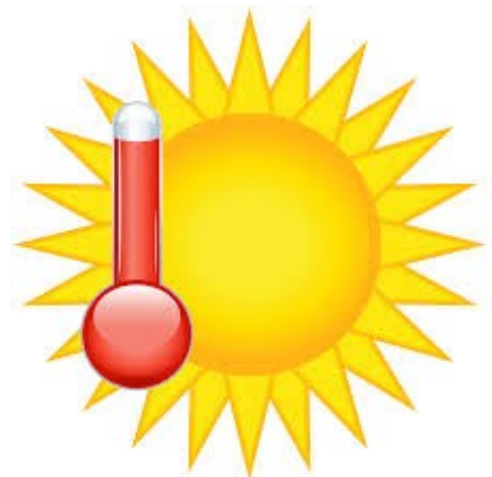

If this is the case, we strongly suggest that you ask your child to take off their PE kit as soon as they get home, pop it back into their PE bag and leave it by the door ready to return to school the following day.

Hot Weather!

With the hot weather here, we would like to remind you that your child **MUST** have a hat, suncream and a drink with them in school every day. If you can apply sun lotion before your child comes to school, they can reapply before going out at lunch time.

Thank you for your continued support.

Carpenter Bees Summer Performance

We wanted to make you aware that the Evening performance of the Summer Show will now be on Wednesday 16th July 5.00pm, doors open at 4.45pm. The afternoon performance will be on Thursday 17th July at 2.00pm, doors open at 1.45pm.
